

Happy Christmas

From St Peter's Hextable
& St Paul's Swanley Village

As we reflect over the past year the events that potentially drift to the top are usually the highs or lows: the varied moments of gladness or sadness. Whether in fragile, wistful or confidently gusto ways, we are invited to be present in this moment.

Significant events like the ongoing wars in Israel-Gaza, Ukraine-Russia and elsewhere, or the crowning of our new King remain in our memories and are part of our future conversations. Yet over 2,000 years ago an event happened that forever defines all things: the birth of a new history-defining King. One who will rule eternally and is forever the saviour-friend for all of humanity. Again we so gladly invite you to celebrate with us this Christmas as we welcome this Christ-child, the King of Kings.

A handwritten signature in black ink that reads "Johnny". The letters are cursive and fluid, with a prominent 'J' and 'y'.
